

Clad Eagle Axiom™ Awnings

Extension Jamb Applications

Scale: 6" = 1' 0"

Extension jambs are available in the following five sizes; 5/8" x 1 11/16", 5/8" x 2 1/8", 5/8" x 2 7/8", 5/8" x 3 11/16" and 5/8" x 4 5/8". When applied to a basic jamb width of 2 7/8" on an Awning window, wall thicknesses up to 7 1/2" can be achieved. All extension jambs have a nailing groove on the back side for easy fastening and can be trimmed to accommodate other wall dimensions.
