

PBS / Eagle Detail: Retractable Screen Casement / Awning Application

DAYLIGHT / VIEW AREA CHANGE WITH SCREEN

NOTE: Adding a retractable screen will change the clear opening dimensions of a window, and may affect EGRESS requirements in some cases.

With Standard & Egress Hinges the Clear Opening Width is reduced by $1 \frac{1}{32}"$
On units with Piano Hinge, the Clear Opening Width is reduced by $1 \frac{7}{8}"$
Clear Opening Height is reduced by $3 \frac{13}{16}"$ for all hinge types.
Floor to Finished Sill Height increases $\frac{5}{16}"$ for all hinge types.
